Assessment of Student Technology Skills

Directions: Respond to the following questions by circling the number that most closely applies to you, according to the following scale:

3= I'm very confident of my skills in this area.

2= I'm fairly good at this.

1= I know a little about this, but not very much.

0= I don't even understand what it's asking me!!

Reminder: THIS IS NOT A TEST. We are all here to learn!

- | | | | | |
|-------------------------------------------------------------------------------------------------------------------|---|---|---|---|
