

**For student access to MyTRL's electronic resources,  
follow these easy instructions!**

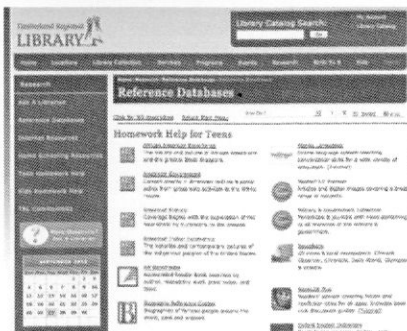

**Go to: [www.trl.org](http://www.trl.org)**

**At the TRL Home Page,  
click on the word Research  
on the menu bar.**

**Under Research, click on  
Reference Databases OR  
Teen Homework Help.**

**Choose one of the many  
awesome databases!**

**After selecting the database, the student will  
be asked their *Library Card # with D* and their  
*PIN or last 4 digits phone #*. This is deceiving  
because the *Library Card # with D* is where  
the student types in their Student Username  
and the *PIN or last 4 digits phone #* is where  
the student types in their Student PIN  
(Birthday Month Day). Follow the example  
below!**

**NOTE: The OSD and the TRL are working  
together to create a student portal.**
